Overview

This scrumptious blend of tender New Zealand chicken, juicy sweet apricots, potatoes and carrots is so chock-full of wholesome country goodness that it will help keep your dog in perfect shape!

We use over 50% high quality New Zealand chicken in this super-nutritious food. Much leaner than most meats, high quality chicken is packed with essential nutrients and amino acids, making it an important ingredient for attaining a dog's optimal health.

Our New Zealand chickens are reared without artificial hormones or steroids and are combined with

sweet sun-kissed apricots and hearty potatoes and carrots to make this grain-free dinner a full-flavored but lean and healthy meal for any dog – big or small.

Grain-free! This delicious dog food is free from any grains – but packed with super-nutritious air-dried chicken. Grain is often used as a cheap filler in lesser dog food products and contributes significantly to the growing number of food allergies among dogs.
